

Clevises "R" Us

Did you know that the Worth Company is the ONLY American manufacturer of clevises?

The Worth Company has been providing the fisherman with premium quality clevises for approximately 70 years.

The Worth Company provides the fishing tackle industry with tens of millions of clevises annually. This means the Worth Company is the #1 supplier of premium quality clevises in our industry.

Approximate Size

Enlarged View

The new Double Clevis was designed for use on larger in-line musky/northern pike baits. The clevis has unique benefits to enhance the performance of these types of lures.

These benefits are:

- Easier to assemble verses two clevises
- Blades engage virtually every time on casts
- Baits can be retrieved slower
- Blades will continue to spin at boat side when performing a figure 8

Double Clevis
