

Solid Brass Strip Clevis

Clevises "R" Us

Did you know that the Worth Company is the ONLY American manufacturer of clevises?

The Worth Company has been providing the fisherman with premium quality clevises for approximately 70 years.

The Worth Company provides the fishing tackle industry with tens of millions of clevises annually. This means the Worth Company is the #1 supplier of premium quality clevises in our industry.

Approximate Size

This heavyweight clevis is of the same outstanding design as our "easy-spin" clevis except that it is formed from the highest quality solid brass strip. This enables it to have oversized .080 holes. This clevis is used for heavyweight spinnerbaits or large musky or pike lures where an oversized wire shaft is required.
